

Daily Schedule			
Date	Day	Activity	Remark
15-Jul-17	Sat.	Arrival in the Hoam Faculty House, Seoul National University	
16-Jul-17	Sun.	Tour around the SNU campus and the city of Seoul	
17-Jul-17	Mon.	Workshop on digital climate map	Lectures
18-Jul-17	Tue.	Workshop on plant disease and insect pest forecasting	Lectures
19-Jul-17	Wed.	Field tour to the Gyeonggi Agricultural Research and Extension Service and to the Seoul Metropolitan Office of Meteorology	Visit to facilities for agricultural meteorological observation and crop pest management in Korea
20-Jul-17	Thu.	Departure from Seoul	

Agricultural Meteorology Service Workshop			
Date	Time	Workshop Topic	Lecturer
16-Jul-17	17:00-19:00	Welcome and ice-breaking reception	
17-Jul-17	09:00-09:45	Early warning service for weather risk management in Korea	Dr. Kyo-Moon Shim , Senior researcher, National Inst. of Agricultural Sciences, Rural Development Administration
	10:00-12:15	Introduction to high-definition digital climate maps - Visualization of local climates based on geospatial climatology	Dr. Soo-Ock Kim , Senior researcher, National Center for Agricultural Meteorology, Seoul National University
	12:30-13:30	Lunch break	
	13:45-14:30	Introduction to College of Agriculture and Life Sciences (CALS), Seoul National University (SNU)	Dr. Eun Woo Park , Professor, National Center for Agricultural Meteorology, Seoul National University
	14:45-17:00	Overview of agro-meteorological reference index - Projecting agro-meteorological risk based on a threshold - Projecting agro-meteorological risk based on the normal year conditions	Dr. Dae-Jun Kim , Senior researcher, National Center for Agricultural Meteorology, Seoul National University
18-Jul-17	09:00-10:45	Principles of plant disease forecast	Dr. Eun Woo Park , Professor, National Center for Agricultural Meteorology, Seoul National University
	11:00-11:45	Information system for plant disease and insect pest forecast	
	12:00-13:00	Lunch break	
	13:00-14:30	Visit to the National Instrumentation Center for Environmental Management (NICEM), SNU	Dr. Eun Woo Park , Professor, National Center for Agricultural Meteorology, Seoul National University
	14:45-15:30	Information system for plant disease and insect pest forecast	Dr. Eun Woo Park , Professor, National Center for Agricultural Meteorology, Seoul National University
	16:00-17:00	Visit to the University Main Library, SNU	
19-Jul-17	09:00-09:45	Transportation from Hoam Faculty House to the Seoul Metropolitan Office of Meteorology (SMOM) in Suwon	
	10:00-11:30	Field visit to an automated weather station for agricultural meteorology observation at SMOM	Dr. Eun Woo Park
	12:00-13:00	Lunch	
	13:00-13:45	Transportation to the Gyeonggi Agricultural Research and Extension Services (GARES) in Suwon	
	14:00-16:00	Field visit to research facilities and extension services for crop protection from diseases and insect pests at GARES	Dr. Eun Woo Park
	16:15-17:00	Transportation from GARES to Hoam Faculty House	
	17:00-18:00	Rest and refresh	
	18:00-20:00	Farewell dinner at Hoam Faculty House
